VOL. 14 NO. 6 WEDNESDAY, FEBRUARY 7, 1973.

J. deBruijn PSS Report Sparks Council Probe

In the wake of the Preventive Social Services special meeting held Sunday, February 4, Councillor John deBruijn, town council representative on the PSS board reported Monday evening at the regular meeting of council that all is not well with the PSS.

Besides requesting to be relieved of his appointment to the PSS board, Councillor deBruijn gave council a very eloquent report on his opinions of St. Albert's Preventive Social Services and made strong recommendations that action be taken by council soon as possible.

Mr. deBruijn preambled **Traffic Lights Today**

Everybody has been eyeing St. Albert Trail and three major intersections for the appearance of the long-promised traffic lights. Lo and behold! Mayor Ray Gibbon phoned The Gazette at presstime and announced that he had just received word that the light switch will be turned on Wednesday (today). Mayor Gibbon further said that said lights will be in full operation Friday, Feb. 9 for sure.

Motorists are urged to keep a sharp lookout... especially at these three controlled intersections.

his verbal report with the warning that these were his own observations and opinions and should therefore be taken as such. He then proceeded to recommend that the entire PSS board be reviewed by council and while in the process, that council also review Bylaw 20/72 which gave the PSS semi-autonomy status.

Among the other areas within the framework of PSS which Councillor deBruijn suggested for council study included the existing means by which PSS members get on the board. He suggested a few alternatives on this particular issue, that board members could be elected and paid or serve as a committee of council. He reminded his colleagues (and full gallery) that these suggestions were his own before

continuing to recommend that the PSS work in closer liaison with the Health Unit or even under the jurisdiction of the Health Unit.

"I feel also," Mr. deBruijn said, "that PSS funded projects ought to include employees from St. Albert's work force." Mr. deBruijn registered strong opposition to the adverse publicity PSS has received recently and disclosed that he felt he could no longer serve as town council representative on the PSS board and asked to be replaced immediately.

"The autonomy of society groups in this town," Mr. deBruijn said, "have taken precedence over performance." He then questioned the day care centre and youngsters.

Please Turn To Page 3.

These two young ladies are very pleased with their find, not only because they saved this puppy's life last Sunday but because he has proven himself to be a real little friend. "Bowser" was found by Debbie Brook (left) and Lori Mitchell while they were out horseback riding along the Sturgeon River. Little Bowser had been secured in a gunny sack and left to die.

Teen Girls Save Pup From Horrible Death

A four or five month old puppy, whose only visible defect seems to be wetting the floor, was destined to a horrible death during the weekend if it had not been for a couple of alert and warmhearted St. Albert youngsters.

Lori Mitchell and Debbie

Brook, two 13-year-old girls out enjoying horseback riding down the Sturgeon Sunday afternoon came upon a gunnysack, securely tied at the neck, writhing frantically on the icy shore of the river, about one-quarter mile east of the Highway Bridge.

With heavy snowmobile traffic flowing along the river, the two girls did not hear the cries of distress coming from the gunnysack until they dismounted and came closer to the object.

Upon closer investigation, Lori and Debbie realized that they had found an imprisoned puppy, destined to die from starvation or cold, whichever came first. The two girls immediately freed their new found friend and brought him home. A warm bowl of milk and a round of play with the youngsters in the Larry Mitchell household seems to have erased whatever nightmare the pup may have had while he was mercilessly left to die a horrible death.

Whoever thought up that idea for disposing of a family pet in that manner is eligible for the "black ribbon of dishonor"... as far as we're concerned and we know Debbie Brook and Lori Mitchell agree.

Allarco Annexation Hearing Feb. 12

A public hearing is scheduled to be held in St. Albert council chambers Monday, February 12 at 10 a.m. when members of the Local Authorities Board, Province of Alberta, will accept submissions regarding an annexation proposal.

In this hearing the Local Authorities Board will entertain a petition by the majority owners of lands lying adjacent to the town of St. Albert, situated southeast of Braeside subdivision in the MD of Sturgeon and referred to as Allarco Development Ltd. lands. The area under application for annexation to the town of St. Albert involves 925 acres more or less.

The Local Authorities Board will also hear sub-

missions from the two municipal governments involved, the MD of Sturgeon and the Town of St. Albert.

Directory Notice

The Rangers and Guides have now completed home delivery of the 1973 St. Albert Directory. Anyone who was inadvertently missed should telephone Guider Muriel Hesselwood at 599-3539 and she will arrange to get one delivered. Since the girls are out of school Thursday and Friday during Teachers Convention, they will have extra time this week to look after people missed.

Community sports forum Thursday evening

Coaches, managers, parents and all interested residents will get a chance to air their views on different aspects of community sports on Thursday, February 8 in Sir George Simpson Junior High School, Grosvenor Blvd. The meeting arranged through St. Albert's Recreation Department, will start at 7 p.m. and graduate students in physical education at the University of Alberta will give short talks on topics which are of vital interest to all those involved in sports activities.

The speakers will be Jim Morell, Margaret Currie, Hart Cantelano and Fred Gorgichuk and the topics they have chosen should lead to some lively discussion: "The role and responsibility of the amateur coach," "Efficient practice planning" and "The influence of professional sport on community athletics programs." After each talk, audiences participation will be welcomed, and indeed, encouraged.

Not only in St. Albert but in most communities across Canada people have been showing increasing interest in the organization and objectives of amateur sport programs. Through letters to papers and magazines, "talk-show" radio shows and television reports, an increasing number of Canadians are showing dissatisfaction with some attitudes taken on competitive emphasis, professional control in amateur sport, methods of training and other matters.

Undoubtedly the glimpse of Russian training programs in minor hockey helped spark this upsurge of people both defending and criticizing the status quo.

At Thursday's meeting the people of St. Albert will have an excellent forum for stating their views and asking any questions they may have with a qualified and experienced panel of people involved in community sports.

St. Albert Population Shows 19.4% Increase

St. Albert has registered a population increase of 2,451 persons which represents a growth increase of 19.4 per cent, according to the 1972 census report tabled January 23, 1973. Now St. Albert's official population stands at 15,000.

The boost in population appears in every one of the several categories recorded in the census report. For example in the category "under one year old" we find an increase of 69 infants while the increase in pre-schoolers comes to 362 over last year. This includes all youngsters between the ages of 1 to 6. The total increase in the age 6 - 18 category shot up by 935 persons over last year while the total

electorate in St. Albert shows an increase of 516, thus bringing the total eligible votes to 8,166 over last year's 6,650.

According to the census report, Division No. 19 which is the Youville Home shows a total registration of 193 senior citizens, 154 of whom are over 65. This indicates an increase of 13 seniors over the age of 65 in comparison with last year.

The employed population in town according to this year's census shows an increase of 166 persons, from 981 last year to 1,090 today. All in all St. Albert is growing at a fantastic rate as the statistics below readily show:

	1972	1971	1970	1969
Pre-schoolers	2,059	1,424	1,590	1,821
Ages 6-18	4,863	4,563	4,078	3,751
Adults	8,166	6,650	5,581	5,158
TOTALS	15,088	12,637	11,249	10,530

First woman in St. Albert to win a council seat, Mrs. Myrna Fyfe, was sworn-in Monday night prior to the regular meeting of council. Clifford P. Moore, returning officer is shown performing the official ceremony. Seated next to Councillor Fyfe are Councillor J. J. Bakker, and Councillor John de Bruijn.

Byelection Vote Results Show Active Local Interest

Quite a number of St. Albert citizens have criticized public apathy in last Wednesday's election when the figure of 28.4 per cent of the eligible voters was announced.

This prompted The Gazette to thumb through back issues of the paper and compile election results plus eligible voter percentages

recorded in past town elections.

1967 - Three councillors were elected in this contest, Dick Wheatley, John Bakker and Don Bull. Eligibility percentage vote was recorded at 27.

1968 - Mayor Ray Gibbons was elected so were councillors Bob Russell and Rene Kambourouff. 39.9 per cent of the eligible voters cast

ballots in this contest.

1969 - Two councillors John deBrouin and Frank Lukay won seats on council that year and only 15 per cent of the eligible voters cast ballots.

1970 - Two councillors were elected, Bob Hudson and Tom White. Again only 16 per cent of the electorate answered the call to the polls.

It would appear that 28.4 per cent response during this year's byelection is nothing to be ashamed of. St. Albert residents had two very important vacancies to fill via the polling stations plus a sensitive question to comment upon, that of transportation. It is felt that the whole exercise was a very constructive one, and resolved democratically and involu-

ing 28.4 per cent of the eligible voters who cared. In 1974 a complete town council, including the mayor and both school boards will be up for a general election according to the new Municipal Elections Act. This new Act, introduced in 1968 and phased into full operation by 1971 calls for the election of civic and school bodies for three year terms.

Therefore, the three new members recently elected will be serving the remainder of the terms left by the councillor and two school trustees who resigned and moved to other communities. S. Steben was elected by acclamation to No. 3 School Board; Myrna Fyfe won the council while Bill Webber fills the No. 6 School Board vacancy.

Myrna Fyfe Tops Polls; Webber Elected

Slightly over 28 per cent of St. Albert's eligible voters last Wednesday elected Mrs. Myrna Fyfe of 33 Glenmore Crescent, to town council and thus become this town's first woman councillor. Mrs. Fyfe, a prominent St. Albert housewife who has shown sincere interest in local affairs, defeated four male opponents with an overwhelming majority. Her 1,152 votes more than totalled returns received by the other four town council candidates.

Mrs. Fyfe thus fills the council vacancy created by Rene Kambourouff's resignation in November to take over a new business in 100-Mile House, B.C. She will be completing Mr. Kambourouff's term until the next general town election in October 1974.

Alphabetically, here are the town council candidate totals - confirmed Friday noon by Returning Officer C. P. Moore: Billings, Syd 284; Fyfe, Myrna 1,152; Garlepy, Roger 433; Kampen, Andy 148 and Weeks, Al 247. There were only 13 ballots rejected.

Voters on Wednesday were also casting ballots for a Separate School trustee to fill the seat left vacant by Bill Penrose who resigned in December when he accepted a promotion with his firm and moved to Burnaby, B.C. Contesting this vacancy were also five candidates which included a St. Albert woman, Mrs. Shirley McCaffery and she held a neck-and-neck race with top man of the poll, Bill Webber right down to the last 504 and 518 respectively, thus leaving everyone with the

impression that a recount would be called. However, after Mr. Moore, the returning officer and his staff reviewed polling station results, a mathematical error of 41 votes was discovered in Polling station 15 which immediately gave Bill Webber a comfortable majority for a clear victory.

School trustee candidate totals are as follows: Davis, Dave 175; MacFarlane, Murdo 153; Merrell, Don 53; McCaffery, Shirley 504 and Webber, Bill 553. In this voting exercise only five ballots were rejected.

The questionnaire on transportation was a three-part ballot, the first part dealt with a question of whether residents of St. Albert endorsed or rejected the idea of a local bus transit system. Vote tallies on this part showed that 1,035 voted 'yes' and 678 voted 'no.' The second part of the ballot asked the voter to indicate how many mills should be spent on a bus transit

system. Under the heading of 1 mill, 447 voted 'yes' and 75 voted 'no.' Under the heading of 1 1/2 mills, 275 voted 'yes' and 71 voted 'no.' Under the heading 2 mills bracket 258 voted 'yes' while 71 voted 'no.' In the third part of the questionnaire, the voter was asked to answer yes or no on two questions. Municipally Owned received 738 affirmative votes and 134 negative votes. Under the heading of privately owned 422 voters said 'yes' and 117 said 'no.'

It was pointed out by council prior to the January 31 voting day that the questionnaire was not to be confused with a referendum and therefore voters ought to remember that this exercise was simply a method via which council will interpret the wishes of the public on this transportation issue.

See elsewhere in this Gazette for Poll by Poll results.

Council Probe

Continued from page 1.

asked if indeed this agency was not a duplication of services competing with private facilities.

In his plea to be relieved of his appointment on the PSS board Councillor de Bruijn concluded his report with the observation that the existing Preventive Social Services group is headed for self-destruction through internal dissension.

Council acknowledged immediately the seriousness of the PSS issue and after considerable discussion agreed to review the entire PSS bylaw and board structure, from the director to all the way through the entire agency. Mayor Gibson, in his remarks on the PSS question occurred that all aspects will have to be thoroughly studied "from all sides" and said that when council does indeed review PSS and all its facets, a considerable amount of time will be required. In view of this, Mayor Gibson hinted that, a special meeting may have to be called, at which all members of the PSS board will be invited.

Before going to other council business, Councillor Rod Thronsdon made a motion that the PSS Board's request for Mrs. Hennie Stibbe's resignation be placed on the committee meeting agenda of February 12. When Mayor Gibson called the question, the vote came out 5 - 2 with councillors Fyfe and Bakker casting the

negative votes. Councillor de Bruijn agreed to remain as town council representative on the PSS Board until the question comes before next Monday's committee meeting.

In an interview with Councillor de Bruijn following the meeting, his position in terms of PSS were qualified. Mr. de Bruijn told The Gazette that his resignation was not accepted, therefore he will continue to serve until next Monday or until council reorganizes its committees now that it has a full slate. A report from the nominating committee, comprising of councillors Bob Hudson and Frank Lukay is anticipated for February 19, at which time Mr. de Bruijn promises to be relieved of his appointment to the PSS Board.

NDP Officers elected

The St. Albert Constituency Association of the Alberta New Democratic Party held their annual meeting recently at the Ridgewood Terrace Social Room.

Guest speaker of the evening was the outgoing president of the Alberta New Democratic Party, Mr. Gordon Wright.

Newly elected executives of the association are: President, Mr. Dick Harrison of St. Albert, phone 599-5213; vice president, Mrs. Elsie MacMillan of R.R. 8,

The Editor:

As a private citizen, member of Sturgeon Council and the Recreation Board, I would like to take this opportunity to present these few words on recreation in our municipality.

Living in one of the oldest and most prosperous areas in Alberta I find we are way behind in the area of recreation facilities.

In the next month we of the Sturgeon Recreation Board are going to try and prove to ratepayers, the benefits of a mill rate levy to rectify this situation in a series of meetings.

Please refer to Rural Recreation for times and

Edmonton, phone 799-6573; treasurer Mr. Garry Campbell of St. Albert, phone 599-4723; secretary, Mr. Kurt Sanow of St. Albert, phone 599-8252.

Also elected at that meeting were the delegates to the forthcoming annual convention of the Alberta New Democratic Party in Calgary, February 9 - 11.

Interested persons are invited to direct questions or matters of provincial concern to any of the above named members of the St. Albert Constituency Association, Alberta New Democratic Party.

LETTERS

Sturgeon Councillor Crozier Endorses Recreation Plan

places for these meetings.

Whether you are for or against such a levy please come out to these meetings with all your questions. We will try and answer them. Let us all think positive for the betterment of our people and MD.

C. Reg Crozier,
Chairman of Public Relations Committee, Sturgeon Recreation Board.

(Please see Rural Recreation for meeting times, dates and location).

Bus Transit Question

The Editor:

One of my stated objectives in the recent campaign for town council was to push for "a thorough review of the objectives and structure" of the Preventative Social Services program.

The result of the election only increase my desire to see this program properly investigated and reassessed. It is all too obvious that there is much going on in this area that the public should be aware of, yet is kept in the dark about.

Question - In view of Bylaw #20/72 making the PSS board autonomous, is the PSS Director responsible to the PSS Board, to Town Council or to no-one?

Question - Why has one PSS Board member, Mrs. Stibbe, been repeatedly vilified and abused, publicly and privately, for daring to ask for pertinent information on various workings and activities of the PSS?

And why does our Town Council tolerate such behaviour?

As a taxpaying citizen, I am disgusted with the manner in which my elected representatives have permitted such a situation to develop. There is much public money involved here and the public has a right to know whether or not it is being wisely spent.

How long must we wait?

R. V. Garlepy.

Sturgeon Players To Stage Three Plays Feb. 16 & 17

The St. Albert-on-Sturgeon Players will begin their 10th season next weekend with an evening of three one-act plays to be presented at St. Albert High School on Friday and Saturday, February 16 and 17, at 8:30.

The three plays on the bill are "Suppressed Desires," a marital comedy about psychoanalysis; "Save Me a Place at Forest Lawn," a two-character comedy drama about old age; and "The Lovers," a one act play by Harold Pinter about marriage. The last two plays will also be performed on Sunday, February 18 in Edmonton as the club's entries in the regional one-act drama festival. The winning entry in the festival will be presented at Banff later this

spring and the club is hopeful for its two entries.

Tickets for the two performances next weekend are available at Jim Byrnes' Mens' Wear or from any member of the casts. Prices are \$2 for adults and \$1 for students.

Delightful party honours Grandpa Berube at Youville Home

A Mass celebrated in the chapel at Youville Home by Father Serrault began a wonderful evening for Mr. Joseph Berube Sunday evening, on the significant occasion of his 100th birthday.

Afterwards friends and relatives from near and far began arriving in the foyer of the Home for the birthday party hosted by Henri and Lucie Berube, Aurele and Isola Durocher and Albert and Rita Soetaert. A guest book recorded the visitors and each received a souvenir ribbon, before being presented to grandpa Berube by Rita.

Master of ceremonies Real Durocher opened the special program by playing part of a taped message from Brother Leo L'Hereux, a nephew of Mr. Berube from Standoff, Alberta, who was unable to be present.

Four grandchildren, Emile, Lina and Pauline (Mrs. Ballachay) who sang with Remi on the piano, did two songs, with the audience joining in the second number.

Messages of congratulation from the Pope, in the form of a papal blessing on an engraved scroll, and from the Archdiocese of Edmonton, signed by Anthony

Jordan OMI were read.

A song and dance routine "The Parent Trap" by Vernice Soetaert, great grandchild, followed. A telegram from Father Roland Berube from San Juan, Texas, was read by MC Real.

A handsome engraved leather plaque was presented to Mr. Berube by Paul Montpetit of the Alberta Wheat Pool. Mr. Berube was a founding member of the Pool, 50 years ago. Mr. McKnight of the Wheat Pool and local agent Walter Hebert were also present.

Messages were heard from the Queen, Lieutenant Governor Grant MacEwan, Robert Stanfield, leader of the Opposition and MP Mar-

cel Lambert, and then the audience enjoyed a spanish tap dance by Vernice, followed by a message from M.L.A. Ernie Jamison.

Jean-Paul Roy and Dan Boisvert were next on stage with a lively display of their marvellous talents on the accordion and banjo, which had everybody's feet tapping, including Ed Savole, who joined them on stage with a vigorous dance. Charles Victor would have been up as well, had his wife not restrained him!

Next came a message of congratulation from Prime Minister Pierre Trudeau and then MC Real played the second part of Brother L'Hereux's tape, which he

said "express the mutual feeling of all of us here for grandpa." Which was indeed a fitting way to bring the program to a close.

Afterwards the auditorium was a beehive of visiting as old friends and relatives greeted each other for the first time in a long time. Handshakes, kissing, laughter and conversation were the order of the day as people moved about, enjoying a glass of wine. Cameras too were flashing at a rapid pace and everybody had a thoroughly enjoyable time, which they as well as Grandpa Berube will long remember. Before they left all the guests enjoyed a lovely lunch.

Mr. Joseph Berube with the beautiful birthday cake at his 100th Birthday party Sunday in the Youville Home. His grandson Martial Berube, son of Mr. and Mrs. Henri Berube made a beautifully designed model of a walking plow which decorated the cake, along with three candles, one each for the past, present and future, and the large figures 100.

Joseph Berube now 100 can trace his family back to 16th century

On the occasion of his 100th birthday, celebrated Sunday at Youville Home, Mr. Joseph Berube had 129 direct descendants living: five of his nine children, 37 grandchildren, 73 great grandchildren and 14 great great grandchildren, these 14 forming the fifth generation of his family.

Many of them were present Sunday evening, when over 200 relatives and good friends were invited to the very special party. For it is a rare event to attend a 100th birthday celebration.

The Berube family tree goes back to 1672, when Jean Talon relinquished rights to his estates in Riviere Ouelle Province of Quebec, to Jean-Baptiste Deschamps. The new 'seigneur' took possession of the lands the same year and brought with him a staff of eight artisans.

According to records presently lodged in the archives at Dieppe, France, Jean-Baptiste Deschamps, the new 'seigneur' set sail from the French port of Dieppe in June 1671 aboard the sailing ship St. Jean-Maptiste. Accompanying him were two carpenters, two masons and four laborers.

One of the two masons was Damien Berube, first of the Berube family to set foot in Canada.

The records of Damien Berube are sketchy, but nevertheless show that he was born sometime in 1651 in a small village named Rochefort, near Rouen, France. His parents were Robert

and Catherine (Pognot) Berube.

In 1674 Damien obtained a certificate of concession (lease) from his 'seigneur' a piece of land measuring about 12 acres wide by 40 acres long, with option of purchase. This was the start of the Berube long line of landowners some of whom eventually pioneered in the Beaumont area of Alberta.

The Berube family tree thus reads as follows: Damien, Pierre, Andre, Raphael, Eliezer, Aristobule whose sons were Napoleon, Joseph, Pierre and Alcide. Joseph Baptiste Berube was born February 5, 1873 at St. Pierre-Baptiste, P.Q.

In 1881 he left Quebec with his family, for Lewiston, Maine where, at the age of eight years he worked, along with his brothers and sisters in a cotton manufacturing plant for 25¢ a day. After a stay of some eight years the family returned to Quebec.

Joseph arrived in Beaumont on January 12, 1903

and purchased a farm for \$1,000 which had only eight acres under cultivation. His wife Georgina, nee Lessard, and children Luzella, Griezella and Deo were with him. Six more children were born at Beaumont: Leo, Zulma, Edward, Paul, Rita and Henry and little Griezella died there at the age of three.

After 14 years in Beaumont the family purchased a farm a mile north of Villeneuve where Joseph and his wife made their home for 39 years and then retired.

Mr. Berube was road foreman in what was then MD of Ray #549 for a period starting in 1930. Mike Hogan, secretary and councillors Vital Majau and Rosaire Hebert for the municipal body, with offices in St. Albert.

Glen Berry and Albert Lema were among his crew members on the basis of 20¢ per hour per man and 20¢ per hour per team. As foreman Mr. Berube earned the

magnificent sum of 30¢ per hour. Councillor Berry recalls that he has seen Mr. Berube walk 14 miles before noon, as he looked over the roads and decided where work was needed. A time-book in the possession of Henri Berube shows a grocery list inside the cover with such items as 21 loaves of bread for 85¢, two pounds of butter, 35¢, bologna four pounds for 65¢, and nine dozen eggs \$1.35.

After their retirement the Berubes lived with daughter Rita (Soetaert) and Mrs. Berube passed away in 1948.

Later on Joseph made his home with daughter Zulma (Simard) in St. Albert. His daughter Luzella (Durocher) died in 1954, son Edward in 1960 and Zulma predeceased him in 1968. After her death Mr. Berube moved to Youville Home, where he continues to enjoy good health, including eyesight and hearing, which enables him to indulge a favorite past-time - playing cards. He also enjoys a good cigar and the occasional glass of wine, as he begins his hundredth year.

Free University North Seeking Instructor

Is there anyone willing to share their woodworking skills with a small group of people wanting to learn?

The Free University North, (FUN), would like to secure the voluntary services of someone willing and able to teach some basic woodwork skills. Facilities would be provided.

FUN is an educational centre that brings together those who want to teach and those who want to learn through the cooperation and goodwill of all participants. Students are not required to pay, and instructors do not receive pay.

The small group of persons interested in acquiring some woodworking skills could be expanded to include a few more participants.

Any persons wishing to participate as instructor or student please call Dorothy at 488-3710.

Donald Coinner Elected To New Hospital Seat

At the regular meeting of council Monday night Mr. Donald J. Coinner of 17 Gilmore Crescent was elected to the Sturgeon General Hospital Board and thus represent the newly-created Ward 8 in the town of St. Albert. The eighth ward was

DON COINNER

brought into being through ministerial order, dated December 15, 1972. Following publicity by town council for nominations of candidates to fill this newly-created seat on the board, nine nominations were received.

While town council reviewed nominations, Councillor John de Bruijn, who is also a member of the Sturgeon General Hospital Board cited his interpreta-

tion of the Act which states in part that a practicing member of the medical profession, availing himself of hospital facilities, cannot serve on that hospital's board of directors. In view of this, council deleted Dr. Leonard Nobert's name from the list of candidates, and proceeded to cast ballots in favor of the remaining eight nominees. Donald J. Coinner was elected on the first round of balloting. Unsuccessful candidates include: Norman J. Lynch, Richard Plain, Alex Solitsyn, Barbara Wheatley, W. Veness and Stanley Fookes.

Mr. Coinner is a manufacturer's representative and the major shareholder in the firm of Donald J. Coinner and Associates Ltd of 14737 - 123 Ave., in Edmonton.

The Coinner family moved

to St. Albert about 12 years ago and have been residing at 17 Gilmore Crescent ever since. Mr. and Mrs. Coinner have two children, Jamie 9 and Tricia 7 years old. Mr. Coinner is a past assistant coach of the St. Albert Shavers and is presently mayor of the Summer Village of Bethu on Lake Wabamun and serves in the Edmonton zone Air Cadet committee.

Donald J. Coinner will take his place with the Sturgeon General Hospital Board with Mrs. A. Sonntag and John de Bruijn representing St. Albert. Other members include three representing the MD of Sturgeon, J. W. Flynn, board chairman, Stan Walker and Lawrence Kluthe Sitting member representing the town of Morinville is Roger Blackburn and the representative from Legal is Leon St. Martin.

Concert will aid Talent Education

A Benefit Concert in support of Talent Education will be held on Saturday, Feb. 10 at 8 p.m. in Convocation Hall at the University of Alberta.

The program will include the U of A String Quartette, and the Edmonton Youth Orchestra, under the direction of Ted Kardash, and violinists and cellists under the talent education program. Tickets are available by phoning 434-3721 or 439-3339.

Talent Education has,

since 1965, taught over 200 young violinists and cellists by the Suzuki method, and is making a valuable contribution to the musical life of the area.

It is a non-profit organization, registered under the Societies Act, which seeks help from music lovers to support its program. Donations may be mailed to the Secretary, Talent Education at 11752 University Ave., Edmonton.

All proceeds from the benefit concert this Saturday will go to the Society.

Former St. Albert couple celebrate Golden Wedding

At a ceremony at the St. Albert Roman Catholic Church, January 30, marriage vows were renewed on the occasion of the 50th golden wedding anniversary of Mr. and Mrs. William Maloney.

At a concelebrated mass Rev. Father Ludovic LaRose was assisted by Father Collin Levangie and Father Donald MacDonald. Rev. Father LaRose performed the marriage ceremony for Mr. and Mrs. Maloney 50 years ago in St. Albert, on Jan. 23, 1923.

Mr. Maloney was born in St. Albert district, the son of Mr. and Mrs. Daniel Maloney who were originally from Ontario. Daniel Maloney at one time represented the Athabasca district as a Member of Parliament.

Mrs. Maloney came west from Nova Scotia in 1919. They lived the greater part of their married life in the St. Albert district, before moving to Edmonton in 1966.

A dinner for the family and a few friends was held at the home of their son in law and daughter, Mr. and Mrs. Gordon Wilson. In the evening a reception and dance were held at the St. Albert Community Hall for over 200 guests.

The couple have two sons and four daughters: Mr. Jack Maloney, Edmonton; Mrs.

Gordon (Isabel) Wilson, Edmonton; Mrs. Robert (Eileen) Vandal, White Rock, B.C.; Mrs. Val (Nan) Lepage, Kamloops, B.C.; Mrs. Donald (Margaret) Victor, St. Albert, and Mr. Allan Maloney Davenport, Iowa. They also have 17 grandchildren.

Congratulatory messages were received from Governor General Roland Michener, Prime Minister Pierre Trudeau, Hon. Robert Stanfield, Marcel Lambert, Lt.-Gov. Grant MacEwan, Premier Lougheed and Mayor Ivor Dent.

Bruins win 4 Fights Metros just win game

Last Friday night the St. Albert junior hockey fans might have imagined they were tuned into the recent Foreman-Frazier fight card, as no less than five main events were featured. Bruins lost only one of the bouts when Alex Jensen was decided.

South Side Metros took advantage of some Bruin penalties and scored four of their six goals while having the man advantage. While winning four out of five fights Bruins, needless to say, lost the game (6-3). Following the game a number of fans showed they were thoroughly disgusted with the Bruins tactics. Fights are inevitable in hockey but no one wants to sit in an unheated arena for 2 1/2 to 3 hours for this kind of spectacle. Bruins are going to have to clean up their act if they want to keep their fan following.

Metros built up a commanding 6-0 lead by the half-way point of the third period although with a little luck the Bruins could have scored two or three.

Bruins finally got on the scoreboard at 12:28 when Jim McComb scored from Marcel Tourangeau on a nice passing play. Bob Wallace scored his third goal of the year at 16:13 with Tourangeau and Greg Hatch drawing assists. McComb scored the final Bruin goal on the power play at 18:25 from Wallace and Kelly McAvoy.

DARCY BRISSON
(Winning Goal)

Coach Rick LeLacheur has been using McAvoy on defence the last few games as rearguards Jim Edwards and Dave Lockhart are both nursing leg injuries.

Newcomer Larry Pashak (late Oil King cut) finally showed up for a game and was on the ice only 10 or 15 seconds before getting a butt ending penalty. League rules call for a game suspension.

Jan Kristensen had two clear cut decisions on the fight card with the second challenger taking four lefts to the head before he realized a fight was in progress.

Following the game LeLacheur had a talk to some of the players and it must have sunk in as their game Saturday night in Sherwood Park was their most productive since joining the league.

Bruins allowed the Knights to take a 5-2 lead midway through the second period in a game that would give the winner third place.

At 11:22 Dave Lebech scored from the slot with Ray Gauthier getting the assist, and two minutes later Marcel Tourangeau blasted in a shot from about 30 feet after Jim McComb had set him up. McComb then stole the puck from a Knight defenceman and scored the tying goal on a clear-cut breakaway.

At the 16 minute mark Ray Gauthier put the Bruins ahead for the first time (6-5) banging in a loose puck after Darcy Brisson and Dave Lebech were stopped. McComb again stole the puck and drilled a shot between Joe Stepany's pads from 20 feet out to give the Bruins a 7-5 lead after two periods of play.

Bruins really turned it on in the third period out-scoring the Knights 5-2 for an excellent 12-7 win. Darcy Brisson and Marcel Tourangeau scored two each in the final period with Gauthier adding the other.

McComb, Brisson, Tourangeau and Gauthier played their finest game of the year. Brisson was outstanding for his hustle which allowed him to score the winning goal. This little fellow has more guts and determination than players twice his size. Some of the other so-called stars of the Bruins should take notice.

Head referee Ron Renneburg once again lost control of the game allowing many penalties to slip by. Knights captain Keith Jones (#7) used his stick like an axe on numerous occasions and failed to catch Renneburg's eye. He must have been watching some other game as most of the people in the arena saw the infractions.

Bruins next home game is Sunday at 2 p.m. when the North Side Comets will be trying to gain ground on the Bruins. Comets are in fifth place only three points behind Sherwood Park.

Jim Read (A) scores first goal of the game Sunday in the Comets 6-2 win over Barrhead Sabres. Ron Fournier (16) had just pulled Sabre goalie Gary Hawkey out of position before slipping puck to Read.

Fournier-Read- Laplante lead Comets to 17th win

St. Albert Willowbrook Comets scored their 17th win of the season Sunday afternoon in St. Albert, with a 6-2 victory over Barrhead Sabres. Comets were led by the veteran line of Ron Fournier, Jim Read, and Al Laplante, who scored four of the six goals and picked up six assists.

Fournier led the way with two goals and two assists with Read and Laplante scoring one each and adding two assists apiece.

Rich Perrault and Brian Stevens added the other Comets goals.

St. Albert scored the only goal of the opening period, when Laplante set up Read. Barrhead tied the game at 1:20 of the second when Larry Craig beat Comet goalie Zane Jakubec. Comets then came back with three goals for a 4-1 lead after two periods. Perrault scored with Gary Checknita and Fournier as-

isting at 6:55 and Fournier scored the other two. Laplante and Read drew assists on the first at 11:28 and Perrault and Checknita helped out on the second at 18:33.

Brian Stevens gave St. Albert a 5-1 lead at 4:04 of the final period from Fournier and Dale Ripple. Craig notched his second goal for Barrhead at 6:14 and Laplante closed out the scoring at 14:25 with Read assisting. The game was cleanly played with only five penalties called.

Comets need only one or two more wins in their remaining seven games to clinch first place in the regular schedule. They should have no trouble as two games are with last place Winterburn.

The race for the other three playoff spots are wide open with only four points separating second place Westlock and fifth place

Barrhead Sabres. Westlock have 26 points, Stony Plain 24, Sherwood Park 24 and Barrhead 22 points. Leduc, Ray's Esso and Winterburn are out of the race.

Comets next home game is this Friday at 8 p.m. when Winterburn Tomahawks will be in town. Comets won't be at home again until February 18 (Sunday) when Leduc will be here. Standings as of Feb. 5 are as follows:

	W	L	T	P
St. Albert	17	3	1	35
Westlock	13	8	0	26
Stony Plain	12	9	0	24
Sherwood Pk.	12	9	0	24
Barrhead	11	9	0	22
Leduc	8	11	1	17
Ray's Esso	6	15	0	12
Winterburn	3	18	0	6

All teams have played 21 games except Barrhead and Leduc who have 20.

Scorpions top League Playoffs start Friday

ANDRE CONTANT
(Top Scorer)

GERALD MCGINN
(Top Goalie)

The Calahoo Scorpions under coach Blackie Quintal have captured first place in the regular schedule of the eight-team Sturgeon Valley Senior Hockey League.

The Scorpions dropped their opening game of the schedule 5 - 3 to Legal before running up 15 straight

wins. Their only other loss was a 4 - 3 decision to Bon Accord and a 3 - 3 tie with Morinville on the same weekend.

Bon Accord Wildcats finished in second place with 30 points, Legal third at 29 and Morinville took the last playoff spot with 25

points.

Villeneuve, Namao, Gibbons and Alexander finished out of the playoffs.

The Scorpions also took the league scoring and goal-tending honors. Andre Contant finished in top spot with a league leading 28 goals and 25 assists for 53 points. Jay McGeough also of Calahoo finished in second place with 39 points. Brian Campbell of Bon Accord finished third.

Gerald McGinn played in all but one of the Scorpion games and allowed only 49 goals. McGinn also led the league in shutouts with two to go along with his excellent 2.11 average.

League playoffs get underway Friday night in a best of five series with Calahoo against Legal in Morinville arena at 8 p.m.

Bon Accord and Morinville hook up in their best of five series in Legal with the game time set for 8:30 p.m.

On Sunday Calahoo takes on Legal in Legal at 2 p.m. and Bon Accord goes to Morinville with the game time also at 2 p.m.

Further dates and times are not known at press time.

Barons Bomb Ardrossan

St. Albert Sportshop Barons midjet BB team easily defeated Ardrossan last Thursday with a 5 - 2 score. Gary Bruens and Terry Kieser led the way with two goals each and Roger Meunier scoring the other. Barons led 1 - 0 after the first and 3 - 1 after two. Ardrossan took 8 of 13 penalties called by referees Don Fender and Norm Tate. Chris Nickerson was in goal for the Barons.

Lacrosse Clinics Show Good Prospects For '73

The first two player-teaching Lacrosse clinics have now been completed and the response was tremendous. By the time we move into the arena in April, it appears that many of the boys will be quite proficient at the game.

Lacrosse clinic times have now been set and are scheduled as follows:

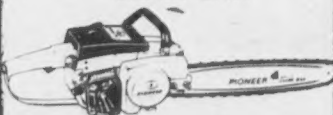

EVERY FRIDAY: 7 - 8 p.m. Novice, 10 years and under; 8 - 9 p.m. Bantam, 12 - 14 years.

EVERY MONDAY: 7 - 8 p.m. Pee-wee, 10 - 12 years. 8 - 9 p.m. Midget, 16 and under.

PLEASE CLIP FOR FUTURE REFERENCE

All clinics will be held at Sir Alexander Mackenzie School.

The only exception to this will be February 9, when there will be no clinic, therefore novice and bantam will miss one clinic. Please note these times as further phone calls will not be made to remind you of future clinics. Be sure and attend clinics wearing helmets, running shoes and gloves where possible. Any boys who have not yet registered or attended clinics to date are very welcome to do so.

A special thanks to parents of novice and pee-wee players who attended the clinics with their boys.

Play gets rougher Comm. League

Grandin Gulf Blazers, somewhat upset by the league executive last week for taking away three games blasted first place Rogers/Grandin Esso 6 - 2 last Thursday. Blazers scored four third period goals to break open a 2 - 2 tie. Pete Van Brabant led the way with a pair of goals while singles went to Ken Leibel, Don Stewart, Sheldon Webb and Bernie Levasseur. Ross Johnson and

All those who are interested in coaching should attend the player clinics when possible as it is our intention to match the coach with players as soon as possible. See Don Anderson or John Taylor at the clinics for further direction.

A group is now being formed consisting of men who wish to play the game but not on a highly competitive basis. There is no age limit and the only pre-requisite is that you are able to run. Immediate gym time and arena time starting in the spring is available if there is sufficient response. Those interested phone Don Anderson at 599-8342. Experience not necessary.

Dan Chugg scored for the losers.

On Wednesday, Belcourt Power Kegs and St. Albert Pharmacy hooked up in a penalty-filled game that ended in a 4 - 4 tie. Two players on each team received game suspensions for fighting and protesting the referees calls. Jim Glover and Chuck Legracie of Power Kegs took fighting penalties as did Vic Roberge of the Pharmacy. Dave Roberge received a game misconduct for arguing a call as did brother Dan.

Getting back to the game, Glover, Bill Mills, Legracie and Darrell Knox scored for Belcourt while Jim Pudlowski, Guy Bourgeois, Vic Roberge and Ole Jensen tallied for the Pharmacy.

Monday night Rogers/Grandin Esso defeated St. Albert Pharmacy 6 - 3.

RECREATION

ARTS & CRAFTS:

The classes sponsored by the St. Albert Arts and Crafts Guild, start this week

It is still possible to register for the Weekend Macrame Workshop (teens and adults) which will be held on Friday, March 2 from 7-10 p.m., Saturday, March 3, 10 a.m. - 12 noon and on Sunday, March 4 from 1-4 p.m. The cost is \$10 and it will be held at the Arts Centre with Mrs. C. Watamanluk as instructor. Registration forms and information can be obtained at the Department of Recreation in the Town Hall (599-6601) or from Mrs. L. Folkins, 4 Sylvan Drive (599-7344).

GOLF:

The annual learn-to-golf school will start around the middle of March.

SKATING:

The outdoor rinks will be open from 10 a.m. - 9:30 p.m. on Thursday and Friday, February 8 and 9. There will be no public skating in the arena on those days.

The public skating session in the arena on Saturday, February 10 has been cancelled, not because of the extremely poor attendance at public sessions recently, but because of the Minor Hockey Provincial playdowns.

CARD OF THANKS

I would like to express my sincere appreciation to all those who supported me in the recent byelection. A special thanks to my campaign committee whose efforts are greatly appreciated. I look forward to serving you as trustee and I would be pleased to discuss any concerns you have regarding our educational systems.

Bill Webber.

Bee-In for Housewives will hear speaker on fighting pollution

By Cathy Hainsworth

On Wednesday, February 21 at 1:30 p.m. a "Bee-In" on pollution for housewives will be held in the Teen Centre located across from Father Jan School. The program sponsored by the Local Initiatives Project in St. Albert and the Edmonton Anti-Pollution group will deal with specific ways with which housewives can fight pollution right in the home.

Mrs. Jocelyn Dreever of the Edmonton Anti-Pollution group will speak to the meeting, answer questions, and be available for further assistance in the future if enough interest is shown by local housewives.

Through an article in the Journal on the work of Mrs. Dreever in this group, Judy Wood of Gilmore Crescent became interested, and had no difficulty in gathering up a dozen housewives of her acquaintance for a meeting on home control of pollution in mid-January. She feels there are probably a goodly number of local women who will be interested in this Bee-In.

Some of the topics that will be dealt with will include detergents, compost heaps, cosmetics and general tips on how housewives can save money while cutting down on

pollution.

For further information phone Cathy Hainsworth, 599-8786 in the Teen Centre.

Are you aware of the facilities located in St. Albert to help you fight pollution?

Ross's Bottle Depot located at 301 St. Albert Trail will accept beer bottles, wine bottles, liquor bottles, pop cans and pop bottles of any size or variety.

In the middle of Grandin Shoppers Park parking lot there is a blue bin which serves as a goodwill collection booth (operated by the Edmonton Rehabilitation Society). It will accept almost anything that can be fixed up and used again; including old appliances, old toys, clothing and rags, etc. However, if you would like to see your old furniture and old appliances go to use in St. Albert, members of the Teen Centre would gladly accept any donations.

Phone 599-8786 for pickup. Don't throw your old papers away either—deposit them in the paper bin located behind the Lacombe Museum (on St. Vital Avenue). Watch for advertisements in the Gazette regarding paper drives (usually every other weekend) and bundle your papers up (don't put them in a paper bag). It

not only helps to combat pollution but makes St. Albert a cleaner town.

EDITOR'S NOTE:

Cathy Hainsworth, a graduate of the U of A with a B.A. in Sociology has been hired by the Preventive Social Services Board, under a Federal government LIP grant, as an environment worker in St. Albert for a four-month period. She began her new duties on Jan. 29 and will be working out of the Teen Centre, across from Father Jan School. Cathy will be known to many people having formerly lived here when her parents made their home in St. Albert.

She will be keeping our readers up to date with her activities, so that the many local people interested in environmental matters will be able to join in activities planned. Cathy is one of four people hired under the LIP grant, and the Gazette hopes to have pictures of them all for an early issue. Also working out of the Teen Centre is Dennis Machney of Edmonton, who is in his third year in Sociology at the U of A. Dennis has been hired as a youth worker for the same period.

PSS delegates from Lac La Biche attending the weekend conference here last week are: Yvette Ullak, secretary; Lillian St. Laurent, assistant director; Paul Bouvier, chairman receiving his name tag from Mrs. Gloria Stacey a member of the St. Albert PSS welcoming committee. Seen peeking from the rear is Herb Presley, PSS director in Lac La Biche. Next is Jules Laberge, parish priest and a member of the PSS board, Eileen Sehn and Rose Reid, also members of the board.

Joseph Berube poses with his son Leo's family at his 100th birthday party Sunday. Standing are Roger, Leo, Cecile and Rosanna Berube. In front are Ida, Grandpa Joe and Georgina Berube.

DDC 533 ACS License to Live

This license number has special significance to St. Albert Air Cadets. It is one of the many beneficial courses provided by the Squadron. In this case the license number represents the Defensive Driving Course for the 533 Air Cadet Squadron.

The Defensive Driving Course is in reality an accident prevention tool used to avert future accidents and as an encouragement to drive better for those unfortunate who have been involved unnecessarily in accidents.

This course which consists of eight one hour sessions is provided on a continuing basis to those Air Cadets who are nearly or already of licensing age.

Defensive driving goes a long way in providing drivers with awareness of road

conditions, a subconscious alertness to other drivers shortcomings

Special meeting of PSS asks for resignation of Bd. member Stibbe

John de Bruijn, council's representative on the Preventive Social Service board told a special meeting called Sunday night to vote on dismissal of board member Hennie Stibbe, it was his view that both the membership of the board and its objectives need to be reviewed.

Mr. de Bruijn, who will ask council to remove him from the board, told the meeting "leadership (at the board level) is lacking," and that the board's "track record is not good" (in terms of accomplishments).

Stressing his opinions were purely personal, Mr. de Bruijn said he felt the membership of the entire board should be reviewed and members should be asked whether they approve of the principles of the PSS board. The board co-ordinates activities funded 80 per cent by the province and 20 per cent by the town, including day care services, homemaker's services and the St. Albert Safety Council.

He suggested that board members might possibly be elected instead of appointed by council, and said there should be better liaison between the St. Albert Health Unit and the PSS. "There is too much discussion and too little action."

Mr. de Bruijn's comments followed a motion by board vice-chairman Dave Thomas calling for the resignation

of Mrs. Stibbe, a member of the board for the past 16 months and former finance and administrative chairman.

Sunday's special meeting had been called specifically to discuss Mrs. Stibbe and her apparent lack of support for the board because of an article she submitted to the Gazette criticizing certain board actions.

The board approved six-to-two the motion which recommended her dismissal for "just causes" but Mrs. Stibbe said she would not resign.

Mayor Gibbon, a member of the board told the nine members present Sunday, the causes for Mrs. Stibbe's dismissal had better be outlined thoroughly to council.

"In attacking a person's character you had better have it well documented," he said, and warned, that without such reason, council and the PSS could be put in the position of being liable.

Mrs. Marg Davis, who along with Mayor Gibbon opposed the dismissal motion, said Mrs. Stibbe performed her duties as instructed by the board and on many occasions the board approved her action.

She suggested the board was as much at fault as Mrs. Stibbe, and said the resignation request was "nothing more than a plot," but she did not elaborate.

Board chairman Ron

Gaunce denied there was any plot involved, other than to get the PSS programs working better.

Mr. Bailey said Mrs. Stibbe had no right to criticize the PSS in the press because she had not informed either the chairman or board members she was going to do so.

He defended Mrs. Stibbe's rights to speak to the press, but said it was board policy that any statements made contrary to board action had to be cleared first by notifying members such a statement would be made.

Mr. Gaunce said the statements presented in the Gazette article were full of "half-truths and falsehoods" and said the newspaper article was extremely negative.

Mrs. Barbara Munroe and Mrs. Gloria Stacey, who also voted in favor of dismissal, both said they felt the public statement demonstrated lack of support for the board and Mrs. Munroe said she could support a review of the PSS policies, but not board members as such.

Mr. de Bruijn also supported the dismissal motion, saying Mrs. Stibbe had a negative attitude towards the funded societies.

Mr. Gaunce also said Mrs. Stibbe had passed on incorrect information on two funded societies, regarding the borrowing of money and also an over expenditure of a

budget.

Mrs. Stibbe, who was appointed to the board in October 1971 by council, then later elected unanimously finance chairman in mid 1972 and administrative chairman in November, 1972, said "she could see the resignation request coming."

She said some of the organizations had charged her as being "incompetent, had expressed a lack of confidence in her ability . . . and one organization even charged me with blackmail . . . and you can quote that."

She said the entire matter centres around her checking into financial matters of the organizations, and suggesting that the PSS is trying to justify its existence by interfering with the programs carried out by several volunteer service clubs and organizations in the town.

Mrs. Stibbe said she planned to appear before council to present her opinions and oppose the resignation request.

A motion by Mr. Thomas, that the PSS Board recommend to council that Mrs. Stibbe be removed from the board for cause, carried 6 - 2, with Gibbon and Davis opposed.

All members of the Board who supported the motion then prepared written reasons for cause. The meeting adjourned at 11 p.m.

Card of Thanks

To all those who worked on my behalf, who gave help and encouragement, and to those who entrusted me with their votes in the recent election campaign, my sincere appreciation.

R. V. Gariepy.

Local Authorities Board

IN THE MATTER OF "The Municipal Government Act":

AND IN THE MATTER OF "The Administrative Procedures Act":

AND IN THE MATTER OF a petition by the majority of the registered owners of certain territory immediately adjoining the Town of St. Albert and lying in the Municipal District of Sturgeon No. 90, requesting annexation of such territory to the Town of St. Albert.

TAKE NOTICE that a petition has been presented to the Local Authorities Board by the majority of the registered owners of certain territory immediately adjoining the Town of St. Albert, requesting annexation to the said Town, of the following described territory now lying within the Municipal District of Sturgeon No. 90:

All over River Lot Forty-One (41) in the St. Albert Settlement, in the Province of Alberta, Canada, as shown on a Plan of Survey of the said Settlement signed at Ottawa on the 7th day of October A.D. 1910 containing Two Hundred and Sixty-five (265) acres more or less.

EXCEPTING THEREOUT - All of Block A as shown on registered subdivision plan 3894 R.S. in the said Lot Forty-One (41) of the St. Albert Settlement containing One Hundred and One and Ninety Two Hundredths (101.92) acres more or less.

River Lot Forty-Two (42) in the St. Albert Settlement, in the Province of Alberta, Canada, as shown on a Plan of the said Settlement signed at Ottawa on the 7th day of October, A.D. 1910, containing Sixty-Nine and Seven Tenths (69.7) acres more or less.

River Lot Forty-Three (43) in St. Albert, in the Province of Alberta, Canada, as shown on a Plan of Survey of the said Settlement, signed at Ottawa on the 30th day of August, A.D. 1913 containing Two Hundred and Seven (207) acres more or less.

River Lot Forty-Four (44) in St. Albert Settlement, in the Province of Alberta, Canada, as shown on a Plan of Survey of the said Settlement signed at Ottawa on the 30th day of August, A.D. 1913 containing One Hundred and Thirty-Nine (139) acres more or less.

Block (B) containing One Hundred and Twenty and Thirteen Hundredths (120.13) acres more or less, in the Province of Alberta, Canada, as shown on Subdivision Plan 5532 K.S. (R.L. 45 St. Albert Settlement)

Block (A) containing Thirteen and Seventy-One Hundredths (13.71) acres more or less, in the Province of Alberta, Canada, as shown on Subdivision Plan 5532 K.S. (R.L. 45 St. Albert Settlement)

All that portion of River Lot Forty-Five (45) in the St. Albert Settlement, in the Province of Alberta, Canada, as shown on a Plan filed as No. 4662 E.U., containing Ten and Five Hundredths (10.05) acres more or less.

The Board will hold a public hearing of the matter of the petition in the Council Chambers, Town Hall in the Town of St. Albert on Monday, the Twelfth (12th) day of February, 1973, at 10:00 a.m.

It may be that you are a party whose rights will be varied or affected by the Board exercising its statutory authority in granting or refusing the annexation application and you are hereby notified that if you wish to make any representation in this regard you may file such written submission with the Board, or appear at the aforementioned public hearing.

In the event that no valid written representation is filed or spoken to as noted the Board will proceed to deal with the petition on the basis or evidence presented at the public hearing.

DATED at Edmonton, in the Province of Alberta, this 4th day of January, A.D., 1973.

E. POWELL, ACTING SECRETARY,
LOCAL AUTHORITIES BOARD,
1101 REVILLON BUILDING,
10201 - 104 Street, Edmonton, Alta.

AROUND TOWN

W. B. McDonald of 48 Gillian Crescent, Director-at-Large of the Edmonton Strutter's Drum and Bugle Corps announced this week that a chocolate-selling blitz has been endorsed by Town Council and will receive co-operation from all local and Edmonton members of the corps. The date set for the Chocolate Blitz is Friday, February 9 starting at 6:30 and will likely continue until 9:30 p.m. About 80 of the

95-member Strutters, many of whom come from St. Albert, along with their executive, will knock on doors here in town this Friday and endeavour to raise funds by offering half-pound chocolates for \$1. Mr. McDonald informed The Gazette that The Strutters are presently negotiating with St. Albert Breakfast Lions and St. Albert Kinsmen to participate in this summer's Rodeo 112 extravaganza.

Comment From Ottawa

Food Prices

By Marcel Lambert

An area in which the federal government is displaying what seems a tricky approach in the face of adversity, is that of food prices. Food prices, you see, make up a significant portion of the Consumer Price Index, which, much to the continuing embarrassment of the government, keeps rising.

Food prices rose a lot in December, 1972. They rose 1.4 per cent between November and December, contributing heavily to an overall rise in the Consumer Price Index of 0.7 per cent for that month. Food prices this December were 8.5 per cent higher than they were last December (1971).

The government, it seems realized that this was going to happen - probably because it has happened every month for the four and a half years this government has been in office.

Anyway, the government's solution, as outlined in the Speech From the Throne, was the establishment of a Joint Senate and House of Commons Committee to look into food prices.

Now, if Canada had never had a committee to look into food prices, this might be a good idea. But unfortunately, Canada has had many such committees - the last one reporting in 1967 - and nothing much has come of their work. Except that its co-chairman Ron Bassford was made minister.

With this in mind, Progressive Conservative Members of Parliament moved in the House of Commons, that the Committee be composed only of Members of the House of Commons, to speed up its report; that the Committee's report be due in three months time; that that reasonably fast action could be taken to curtail food prices; that the committee only examine

trends since 1967, because the last committee reported in that year.

Progressive Conservative Members of Parliament felt that the government - if it were truly interested in curtailing food prices - would accept these amendments so that the committee's report could be submitted as soon as possible and government legislation introduced shortly thereafter.

Unfortunately the government seems to have chosen to opt out on this problem - perhaps because it does not have any answers - and, aided and abetted by the New Democratic Party, three of the four motions were defeated.

Some Canadians are saying that the Trudeau government should be given a chance to produce in this session - an opportunity to show what it can do in a minority situation. Progressive Conservative Members of Parliament are now wondering whether the country can afford to be so kind.

EDITOR'S NOTE: Mr. Lambert is Member of Parliament for Edmonton-West Riding, which includes St. Albert.

Staff Roy Promoted To S/Insp. Of Calgary Post

St. Albert's genial RCMP detachment commander, Staff/Sergeant Jack Roy will be leaving us very soon to take over his new post in Calgary. Staff Roy received the announcement of his promotion to the rank of Sub/Inspector last week and is presently making arrangements to move his family to Calgary where he will become assistant officer commanding, Calgary subdivision.

Staff Jack Roy arrived here as detachment commander during the latter part of July, 1972 with his wife and two children. The Roy family moved into a new home in the Braeside area and are presently putting the wheels into motion to sell their home and relocate in the southern city. S/Insp. Roy replaces Insp. J. Bentham of Calgary subdivision who has been appointed to play an important role in the RCMP force's centennial year celebrations.

During his short stay in St. Albert, S/Insp. Roy made many friends, was appointed to the Preventive Social Services board, attended most council meetings and could

also be seen walking at a brisk stride through town, making new acquaintances and keeping in touch with his entire area.

During the changeover in command here in St. Albert, Sgt. E. L. Rheault is temporarily in charge of the detachment.

CARD OF THANKS

I would like to thank everyone who helped me during the election campaign, and those who supported me at the polls. It was much appreciated.

Andy Kampen.

ATTENTION VOLKSWAGEN OWNERS

Ted Allen Invites Public To Hear Dr. Bethune Saga

Ted Allen, Montreal-born author, playwright, actor and adventurer, will visit Edmonton in February to discuss his life and work, and that of another Canadian, Dr. Norman Bethune.

Grant MacEwan Community College, in co-operation with Canada Council, will present Mr. Allen in a public reading of some of his plays at the Cromdale Campus, 8020 - 118 Avenue on Wednesday, February 14 at 8 p.m. Thursday evening, as part of the President's Lecture Series, he will speak on Dr. Bethune, hero of the Spanish Republic and a national hero of China.

The sessions are free and everyone is invited to attend. Coffee will be served during the open discussions following the lectures and Mr. Allen will be available to autograph copies of his works.

He is the author of "The Scapellato, The Sword, The Story of Doctor Norman Bethune," which has sold over one million copies in 19 languages. He is best-known for "Oh What a Lovely War," which was made into a film in 1970, "Them Damned

Canadians Hinged Louis Riel" and "Lies My Father Told Me," as well as "Gog and Magog," the French translation of his "Double Image." He also contributed his writing talents to the creation of the films: The Pawnbroker, The Adventures of Marco Polo and Paris Blues.

Any women who would like to help with the Heart Fund drive should contact Linda Stewart at 599-5122 or Clara Malear, 599-7552, as more canvassers would be much appreciated by the Kinettes, who are sponsoring the drive for their fourth year.

Next Wednesday, Feb. 14 they are having a coffee party at the Clubhouse on Grenfell Avenue for canvassers and all interested people.

Luella Phillipson of the Heart Foundation will be a guest and present a new film on heart disease. The Kinettes stress that everyone is welcome to come. They also feel that women will find this drive a rewarding activity and not overly time consuming.

SAT. FEB. 24 - Grandin Brownie and Guides Bazaar at Community Hall - 11 - 3 p.m.

C of C Annual Meeting To Discuss New By-law

The St. Albert and District Chamber of Commerce will hold its annual meeting Tuesday, February 13 at 8 p.m. in the Legion Hall. Voting will be by paid-up members for 1972 or 1973 and memberships will be sold at the meeting. Lunch and refreshments will be served.

President Gerry Belke informed The Gazette that a circular letter has been mailed to all members of the Chamber, outlining a proposed bylaw change. The proposal which will be thoroughly discussed at the meeting, involves a suggested representative board consisting of three members each elected to be in charge of one-third of the community. One member would represent Grandin Shopping Centre, another the downtown area while the third would be the voice for

businesses located along St. Albert Trail.

Another important piece of business to be dealt with is the annual election of a new executive. In the president's circular letter, he has unveiled the list of nominees as prepared by the nominating committee. Mr. Belke also points out in his letter that this list is only and that further nominations will be accepted from the floor.

Mr. Belke explained to The Gazette that under the present executive structure, emergency decisions often have to be made between meetings. He feels that if the president had a three-man representative board to call on, rather than the whole executive, emergency questions could be dealt with quickly and by representation from the whole community.

F & G Sponsors Showing Of Sturgeon River Task

In mid-December 1972, a provincially-sponsored Priority Employment Project was launched on the Sturgeon River to clear the water course in an attempt to reduce spring flooding and eventually restore the waterway to its natural state.

With engineering study and supervision provided by the Alberta Water Resources Branch, Department of the Environment, work began involving 60 men working south of Devil's Lake and from the Namaso Bridge towards St. Albert. Irresponsible reporting was given the project by CBC staffers who portrayed the exercise as a devastating project which would probably result in irreparable damage to the river's environment. Pressure groups boarded the bandwagon and attempted to make political 'hay' with the project.

In view of the adverse publicity the project initially received, the Water Resources personnel, under the direction of Tom Slater and Phil Hunt took a series of color slides while the work was being done on the Sturgeon. Next Tuesday, Feb. 13 arrangements have been

made by the St. Albert Fish and Game Association to show those slides at a public meeting to be held in the Community Hall at 8 p.m.

The St. Albert Fish and Game Association, besides holdings its regular meeting, will feature this Sturgeon River Priority Employment Project complete with comments and the personnel present to answer any questions. Besides F & G executive and members, Don Hayden, immediate past-president made arrangements to have M.L.A. Ernie Jamison in attendance, along with chairman of the PEP Committee Bill Veness and two MD of Sturgeon councillors in whose subdivisions the work is being done, Reg Crozier and Glenn Berry.

The public is cordially invited to attend and see what this project is all about.

Edmonton General Hospital.

The annual parish meeting was held on January 29, with a summary of the financial and various committee reports given. Replacing Real Champagne and Leon Brisson on council are Leo Charrois and Augustin Courneau for a three-year term. Outgoing members representing the youth, Sylvia Auger and Louis Lecavalier were replaced by Louise Coulombe and Ben Van deWalle, Doris Auger representing the school was replaced by Paulette Clouthier. Elected on the Liturgical committee Aline Rivard, Nazaire Lessard and Patsy Montpetit replacing Red Krauskopf, Sylvia Auger and Rita Larose. President Richard de Champlain thanked the outgoing members and wel-

comed the new elected members. The next meeting of the Parish Council will be held on February 8 - 8 p.m.

Mr. and Mrs. Andy Campbell and family have been transferred to Lamont. Mr. Campbell was employed by Northwestern Utilities Ltd. servicing several rural areas in the surrounding districts. The Natural Gas service in these areas will now be handled from the Fort Saskatchewan office.

You are invited to come and browse around at the library on Saturday, Feb. 10 from 1:30 - 4:30 p.m., and enjoy coffee and cookies. With more than 4,000 books, there is surely several books you could choose to bring home and read. It will also be a good opportunity to pay your fees that are now due, \$2 per family.

Leon Brisson and Mr. and Mrs. Normand Cyr travelled to Saskatoon to attend a White Farm Equipment Service school last week.

The Cabaret sponsored by the Legal Poncho Riders held on February 3 at the Community Hall was very successful. They wish to thank everyone who attended making it such a success. The club is hoping to make it an annual event.

Mrs. Annette Bruce, (Brown Owl) and Mrs. Jeanne Maurier (Commissioner) wish to thank the Local for enabling them to attend the training in St. Albert last Saturday.

We are pleased to announce that a special program on the life of Mr. Georges Bugnet a well known writer and horticulturist will be televised on Channel 11 at 9 p.m., Wednesday, Feb. 7. Mr. Bugnet has resided in Legal for a number of years and is now living at the Chateau Sturgeon where he was interviewed and filmed for the special program.

Report From Bon Accord

By Saddle Allen

A reminder to all that the annual meeting of the Bon Accord Community Centre will be held on Monday, February 12 at 8 p.m. Everyone is invited to attend, shareholder and non-shareholder alike. It is at this meeting that any beefs you might have can be brought out into the open. New board members are also elected at this meeting.

The fine turnout to the Presbyterian held at the Bon Accord United Church on Thursday, Feb. 1 was most gratifying with delegates in attendance from Patricia, Coronado, Waskeleneau, Redwater, Morinville, Opal, Gibbons and Namsa. The Rev. Gwen Symington, who was guest speaker, spoke on the Six Divisions of the Church. She was accompanied by Mrs. Lies Ogden. A retreat will be held at the Grey Nun's Centre in Edmonton on Feb. 17 and 18 when all aspects of the Presbyterian will be under discussion. For more information contact Mrs. E.

J. Chubb, 298-2121.

An extremely informative Community Centre on Wednesday, Jan. 31 when Inspector Wood of the Provincial Fire Commissioner's office answered questions on the formation of our new fire brigade. A date will be announced later for the first training night. Members of the B.A. Brigade will train both here and at Gibbons on the use of the MD of Sturgeon vehicle until our own is available.

A local architectural illustrator, Mr. Duncan McDougall, is to prepare possible designs for a combined town office and firehall, with training rooms for both fire and ambulance brigades. It is felt that information from the Canadian Insurance and Underwriters' Association will convince residents of Bon Accord that the saving in fire insurance premiums will warrant the provision of up-to-date fire fighting facilities.

So far the Ambulance Brigade has only three adult volunteers. It is to be hoped

that local residents do not want to wait until some dies through lack of First Aid assistance before they prepare for it. There have already been some near misses. The next accident could be a fatal one. A brigade member need only attend meetings twice a month where he or she will be extensively trained in First Aid, Home Nursing and Child Care. Lectures by prominent professional people and instructional movies are given in return for their services.

Registration night for the St. Johns' Ambulance course is Monday, Feb. 12 at the Bon Accord School at 7:30 p.m.

The Bon Accord Ladies' Community Club will hold their February meeting at the home of Gladys Abramski on Tuesday, Feb. 13.

Due to the keen interest shown in the weaving class being offered by Edith Kowalski, she will be holding two classes at 6:30 and 7:30 starting on Wednesday, Feb. 7th instead of the single class planned on. Both are fully registered.

Get well wishes to Archie Jenkins, a patient at Sturgeon General.

The new assistant at the Village office is Doreen Hewitt.

IN THE MATTER OF The Expropriation Procedure Act, and

IN THE MATTER OF the expropriation of the South West Quarter of Section Fourteen (14), Township Fifty-six (56) Range Twenty-three (23), West of the Fourth Meridian, in the said Province, lying North and West of the North Western Boundary of the Canadian Northern Western Railway Companies Right-of-Way as shown on Railway Plan 4315 A.Q. containing Eleven and Twenty Hundreds (11.20) acres more or less, EXCEPTING THEREOUT Four and Sixteen Hundreds (4.16) acres more or less for Road to the Crown as shown on Instrument No. 2705 P.X. The land hereby described containing Seven and Four One Hundreds (7.04) acres, more or less, RESERVING UNTO HER MAJESTY ALL MINES AND MINERALS.

NOTICE

IN THE MATTER OF the South West Quarter of Section Fourteen (14), Township Fifty-six (56), Range Twenty-three (23), West of the Fourth Meridian, in the said Province, lying North and West of the North Western Boundary of the Canadian Northern Western Railway Companies Right-of-Way as shown on Railway Plan 4315 A.Q. containing Eleven and Twenty Hundreds (11.20) acres more or less, EXCEPTING THEREOUT Four and Sixteen Hundreds (4.16) acres, more or less for Road to the Crown as shown on Instrument No. 2705 P.X. The land hereby described containing Seven and Four Hundreds (7.04) acres, more or less, RESERVING UNTO HER MAJESTY ALL MINES AND MINERALS, the Municipality proposes to expropriate the land for the purpose of the construction of sewage treatment facilities and is ready to pay compensation in the amount of \$15,610.00 for the said property inclusive of all damages.

ON Friday, the Second day of March, 1973 at 7:30 p.m. o'clock in the Council Chamber of the Village of Gibbons at the Village Office, a Bylaw will first be presented to the Council to authorize the Expropriation of the aforesaid land.

A Plan of the land to be expropriated is on file in the office of the Secretary Treasurer of the Village of Gibbons and the Plan is available for inspection between the hours of 1:30 p.m. and 6:00 p.m. Monday through Friday.

Before the enactment of the Bylaw the owner of land to be expropriated is entitled to make representations to the Municipality and set forth the reasons why the land should not be expropriated.

If compensation cannot be mutually agreed upon for the land to be expropriated, then the amount of compensation will be ascertained by the Public Utilities Board at a future date.

W. S. OLIVER, Mayor (Deputy)
EARL J. YEO, Secretary-Treasurer.

will be invited to join Legal for the Thinking Day ceremonies.

Arrangements were made for a bus to drive the guides and brownies to Westlock on February 24 to attend their International Coffee Party.

The cookie sale will be held on May 4 after school. A First Aid course by St. John's Ambulance is anticipated in the near future, also the organization of a pedal pushers club.

Everyone is aware of the benefits and knowledge that the young girls acquire by being a guide and brownie. More leaders and helpers are needed. If you want to help out in the community don't hesitate. Call Mrs. Jeanne Maurier at 598-2515 NOW.

There will be a training school in April, which will help the guides and the helpers with new ideas and we hope to send several ladies to this special school.

MUNICIPAL DISTRICT of STURGEON NO. 90

Disposal of Park Reserve

Pursuant to Section 26.2 of the Planning Act R.S.A. 1970 and including the 1971 and 1972 amendments, it is the Council's intention to apply to the Provincial Planning Board for an order disposing of the park reserves. The land in question is described as follows:

Park Reserve Lot R, Plan 3341 R.S., Gagnon Estate consisting of 5.91 acres.

A person or any local group of residents affected by the proposed disposition of reserve land shall serve written notice of his objection to the undersigned prior to the day of the Public Hearing which is to be held on February 22, 1973 at 2 p.m. in the Municipal Office at Morinville.

Alphonse Nobert,
Secretary-Treasurer.

Sturgeon Rec. Bd. Slates 13 Meetings — Tax Levy Plan

By Carl Royan

Why should there be a tax assessment paid by the residents of the MD of Sturgeon for recreation facilities?

At present, every community within Sturgeon has a recreation facility they have planned and built themselves. These facilities include community halls, additions to schools and so on. Without facilities such as these, a recreation program cannot exist. This is why the Sturgeon Recreation Board made local facilities, number one priority and distributed all grant money available for capital development into these facilities over the past two years.

Now that these facilities are built, I believe the next step is to build larger facilities such as arena's, public parks, and swimming pools so families who reside in Sturgeon can have some of the recreational benefits that families who live in towns can take advantage of.

The population of Sturgeon is approximately 10,000 and there have been no recreational facilities built by these 10,000 people with the exception of those who have assisted the towns or villages in building facilities. Yet in towns with populations of only 1,500 you find arenas, swimming pools, parks, curling rinks, etc.

I believe the only reason for not having facilities built by Sturgeon families is the fact that in an area that covers so many square miles it is difficult to get an agreement among people on where facilities should be placed. The reason for this disagreement is that a grant becomes available and an area wants to build a facility so the grant can be claimed. They cannot get the support of other areas because they do not see anything in it for them. Therefore the grant is lost and no

facility is built.

There is only one way to overcome this problem and that is to have a constant mill rate (however small) assessed for building these facilities so a co-operative atmosphere can be created. With the assurance that money will be available two years down the line, one area will assist another build a facility this year knowing they will get one in two years. In this manner grants can be taken advantage of and facilities that should have been built 10 years ago can now be built.

The amount of money ratepayers are willing to pay for facilities determine the number and quality of the facilities. With this in mind there will be an opinion poll sent to all Sturgeon ratepayers to see how many mills they are willing to pay for building of facilities.

To explain this concept more fully and answer any questions about it, there will be public meetings held in 13 centres within Sturgeon. The dates and times of the meetings we listed in this Gazette so if you have questions or would like more information we will see you at your meeting.

By Margaret Borle
Citizens of the Villeneuve Community are urged to attend the annual meeting of the Villeneuve Athletic Association on Monday, Feb. 12 at 8 p.m. in the Villeneuve Community Hall. This association ensures the functioning of our hall, rink and recreational activities. Be positive in your support. Attend this meeting.

Words without works are futile. Our society seems bogged down in studies, seminars, committees, groups. On Monday, Feb. 12 at 8 p.m. Mrs. Ardis Beaudry of Edmonton, under the sponsorship of the OWL will present to the public a film on "Shelter," a home for homeless girls new in the city. The aim of "Shelter" is to extend the hand of help before, not after loneliness and despair have set in. This is an opportunity to see and become a part of the "work" rather than the "word." Everyone is welcome.

The whist drive will be held Feb. 11 at 8 p.m. in the Villeneuve Community Hall. Admission 75¢ - lunch free.

The parishioners of St. Peter's have been participants in two beautiful bap-

tismal rites, one on Sunday, January 28 for Lonny Brian Kiak, infant son of Yvonne and Brian Kiak, and one on Sunday, February 4 for Terry Roger, second son of Georgina and Gordon Soetaert. Godparents for Lonny were Mr. and Mrs. Gerald Soetaert. Mr. and Mrs. Brian Kiak held a reception at the Villeneuve Community Hall for their friends and family following the christening. Lina Soetaert and Roger Berube were godparents for Terry Roger. Mr. and Mrs. Gordon Soetaert held a reception at home. Special readings and music helped make these rites even more impressive.

Congratulations to Remi and Lina Soetaert on the birth of their son, Marc Edward, on Monday, January 29.

Lina Soetaert flew home from Hay River for the baptism of Terry and to attend the birthday party celebrations of her grandfather Mr. Joseph Berubé.

The family of Mr. Joseph Berube held a celebration to honor him on the occasion of his 100th birthday. A large crowd enjoyed a program presented by Mr. Berube's grandchildren. Congratulations to Mr. Berube from the people of Villeneuve area.

NAMAO NEWS

By Norma Crozier

Mr. and Mrs. Hugh Crozier and Mrs. John McLaughlin motored to Penitence to see the Penitence Broncos play three hockey games. Mrs. McLaughlin visited her brother, George Samis, while there.

Mrs. Gordon Carson and Mrs. Cliff Crozier represented Namao at the Mothers Take-a-Break workshop in St. Albert, January 31 and February 1st.

Mothers Take a Break on Friday, February 2, had a puppet show from STOP.

Senior citizens met on Thursday, February 1 with 25 present. They meet the first and third Thursdays of every month. Anyone over 60 are welcome. Cards, miniature curling games and shuffleboard are played.

The Elders of the Namao Church met with the public relation committee to consider a new minister as the present minister is retiring. Mrs. Hugh Crozier was elected as the new clerk of session as Mrs. Daisy Craig is retiring.

Hugh Crozier and Warren Gauthier motored to Penitence to see the Penitence Broncos and the All Stars play. Les and Lee Crozier are playing with the Penitence Broncos.

Get well wishes to Blair McBurney who is in the University Hospital.

Unifarm held a card party

in the Namao Hall with eight tables of players. Mrs. Jack Nielsen and Mel Ash won the first prizes. Mrs. Reg Crozier and Jack Speers were given consolation prizes.

The Namao senior hockey team lost out to Morinville by 4 - 2 on Tuesday and by Friday lost to Calahoo by 5 - 3.

The Mothers Take a Break on February 20 will be on family life by Mr. Ed Branch

Miss Kathy Latimer has returned from a two week holiday in Hawaii and a week in Vancouver where she visited Miss Debbie LeClair, formerly of Namao.

Babysitter: "That little boy I sat last night was a real wash-and-wear type. He had to be washed every five minutes and he sure can wear you out!"

M.L.A. Jamison addresses PSS Regional Conference hosted by St. Albert Board

Forty people from PSS Boards and Committees in St. Albert, Fort McMurray, Lac la Biche, Barrhead, St. Paul, Athabasca and Westlock attended the annual N.E. Regional Conference held in the Retreat House in St. Albert Friday evening and Saturday, January 26 and 27.

Only six members of the St. Albert Board, the director and secretary, attended and chairman Ron Gaunce expressed his concern that several local board members were absent, even though St. Albert was hosting the conference.

"It was a very intensive conference," said Mr. Gaunce, with a great deal of work being done in a very short time." One of the recommendations made was to increase the length of next year's conference to two full days. The St. Albert board was congratulated for their strong leadership which it was felt contributed greatly to the success of the event. Formerly the conferences were planned by a group of representatives from each town or district in the region. But with the success of the method used this year, when St. Albert Board planned the conference, it was suggested by those at-

ending that the next conference also be planned by the host board or committee.

Specific areas of interest such as alcoholism, senior citizens, youth programs, counselling and inter-agency activity were discussed in small group sessions, with a scattering of speeches. Representatives of various areas were able to interchange experiences and ideas in this manner. An example was the Barrhead group who described their active senior citizens programs, as to ways and means and pitfalls to avoid.

On an entirely informal basis the Friday evening social also presented an opportunity for a free flow of ideas. Gary Wescott, St. Albert's fine young singer performed and entertained for over an hour and was very well received. He got the audience involved in a sing-a-long.

Mel Finlay, director of the PSS branch, department of Health and Social Development, and St. Albert consultant, spoke on a panel discussion on communication, pointing out the difficulty of integrating the roles of board members, directors and municipal councillors. A board member needs to be an organizer, persuader, political analyst, counsellor and administrator - truly a "Man for All Seasons" said Mr. Finlay.

Mr. Jerry Archibald, regional consultant from the PSS Branch, spoke to the conference on the role of Preventive Social Services boards in program planning. He gave his analysis of the operations of PSS and some of the common pitfalls that he sees in PSS operation.

Mr. Ernie Jamison, St.

Albert M.L.A., speaking to the noon luncheon Saturday expressed his opinion that the people serving on PSS boards and committees have both a difficult and complex job. He noted also that the departments of health and social development and of culture, youth and recreation, both of which Preventive Social Service is connected with, are also complex - with work going forward in literally hundreds of directions in social development.

He went on to mention some of the activity involving both the government and PSS Boards: alcoholism and drug abuse, mental health, programs for handicapped and retarded children, senior citizens, head start and youth programs.

"There is much homework required just to keep abreast of what is being done," said Mr. Jamison, "but you people must also try to keep up with new thinking on what might be done and has not yet been tried." He mentioned family and juvenile courts, community planning, public housing, use of increased leisure, job opportunities and recreation needs - areas

where the decisions of government at three levels having bearing on the work of PSS. Plus the "tremendously important question of the directions that education should take."

Mr. Jamison spoke of the difficulty of deciding basic priorities in each community for programs needed, then implementing programs and ensuring that they are carried out efficiently, then evaluating them on completion.

"I feel that no amount of legislation by three levels of government - and no amount of funding - can accomplish the goals of preventive social action without the enthusiasm and active involvement of many people within the communities being served," said the M.L.A.

He outlined also ways he felt the media could be of help and offered a few suggestions on providing information to media people. Speaking of resource people available from government, universities, colleges, he said "the ability of such resource personnel to communicate well with all sorts of people is just as important as having the required background."

"You people have I think a real selling job to do on your objectives in PREVENTING the kinds of troubles and difficulties which stand in the way of people reaching their full potential," said Mr. Jamison. There is a confusion in the minds of the public between your work and welfare programs - both of which are needed. But preventive work is the area which can lead to fewer and fewer families ending up in a long term welfare situation."

He referred to the thoughtful and serious statement made by Premier Lougheed in concluding his address to the Conservative convention, when "the Premier made it clear that this province supports the free enterprise system. Preventive Social Service philosophy goes hand in hand with a

free enterprise system," said Mr. Jamison.

In concluding he said that "as a member of your government I would like to point out one last aspect of your responsibilities. That is wise use of public funds - and good accounting of them - a matter closely tied to the priority needs for preventive measures in your individual district."

"Those programs which you initiate and which work well and truly as preventive measures will, you may be assured, be applauded by your government - and by your communities."

Following his address, Mr. Jamison answered questions from the floor, a number of which had to do with evaluation of PSS programs.

NO CHARGE TO WORKMEN UNDER THE ACT

Frontiersman Cafe, Tavern Swamped With Eager Crowds

By Flo McGinnis

At 12 noon on February 1 the Frontiersman Restaurant opened its doors and for the rest of the day seats were at a premium. The main street of Morinville was lined with cars of those who have been waiting to be able to "drop in for coffee and a snack."

Bing Chan is the manager of the all new premises and is ably assisted by his wife Janet. Mr. Lo Sarre is the chef and the restaurant features, Chinese, Polynesian and Canadian cuisine.

The hours of operation are 7 a.m. till 8 p.m. Monday through Thursday featuring a special Businessmen's Luncheon from 11 a.m. - 1:30 p.m. The restaurant is open from 7 a.m. till midnight on Friday and Saturday; on Sunday they serve from 10 a.m. till 8 p.m. featuring special family dinners. Bing Chan and his staff invite each and everyone of you to drop in and sample the many specials offered.

On Friday, February 2, the Frontiersman Tavern and Hideaway opened the doors to the public at 1 p.m. and from then on it was packed to the limit. Shortly before the 1 o'clock opening there was no parking to be had in the vicinity and people were lined up waiting to see this ultra-modern hotel.

Mr. Joe Meunier was on hand to be the first customer served. It was Mr. Meunier who saw the old Alberta Hotel constructed and then torn down 69 years later to make way for the Frontiersman. Now he has

officially proclaimed it - "The very best," and expresses the view that he hopes to make many enjoyable trips back to Morinville to visit with his many friends at the Frontiersman.

Friday night at least 100 or more people had to be turned away as the premises were 'jam packed' and no seating was available. Each Friday and Saturday the hotel features live entertainment and some very popular groups are scheduled.

The official opening of the Frontiersman is set for March 14, 15, 16 and 17 with all the gala finery and special features that usually accompany such a new, and so very modern set-up.

Morinville Arena Ready For Native Hockey Tournament

By Flo McGinnis

February 24 and 25 will see the annual Native Hockey Tournament being held in the Morinville Arena.

Sponsored by the Alexander Board of Education committee, this tournament will have teams from eight Reserves competing for the trophies and prize money. This is the Native Tournament for Central and Northern Alberta held each year, and this one will have a very special feature. From 5 to 7 p.m. there will be special performances by the Morinville Figure Skating Club and by the Morinville

By Flo McGinnis

With the Groundhog coming out to tell us that there will be another six weeks of winter, everyone is waiting (but not too cheerfully) for the inevitable.

Our Sports Association has announced that there will be a general meeting on Feb. 15th. The purpose of this meeting will be to amend the constitution and to elect one new director. The meeting will be held in the Recreation Centre and will begin at 8:30 p.m.

The Senior Citizens Rendezvous Club is holding a Whist Drive and Open House on February 14 beginning at 8 p.m. There will be door prizes and prizes for Gents' and Ladies' cards. Come out and visit with the senior citizens in their new hut.

Drum and Bagle Band.

Participating teams will be from Glenaville Reserve, Hobbema, Saddle Lake, Alexander, Big Fish Lake, Winterburn and Grouard. For this tournament there will be no advance sale of tickets, with ticket sales at the door only.

The first game gets underway at 11 a.m. on Saturday the 24th, so don't forget these dates. Further information may be obtained from Mr. Tony Arcand at 256-2115.

MORINVILLE MEMOS

Everyone is cordially invited to either join in the card games or just drop in for a chat and some lunch. Our senior citizens are truly proud of the new hut, and rightly so, for they have done a grand job of refashioning the building.

Belated birthday wishes are sent to some of the senior citizens as we missed them the last issue. Feb. 1st: Bertha Krauskopf and Tilly Vollrath. Feb. 2: Karl Holterhus, Mrs. Middleton and Oswald Chevalier. Today, Feb. 7: Mark Saffin and Gertrude Tolle. Feb. 8: Joseph Bokenfohr Sr. Feb. 9: George Schayes. And we must add Laura Kleser's birthday on Feb. 14. So come out and help celebrate Laura's birthday at the Whist Drive and Open House on that date.

Morinville Legion Branch 176 is holding a Valentine party February 17 in the Legion Hall from 8 p.m. till 1 a.m. It's going to be in the form of a Box Social with live entertainment. Come on ladies, bring a box lunch for the raffle. Admission is only \$2 a couple. Remember that date - Feb. 17 from 8 - 1 a.m. with live music. There are also plans for a social evening to be held at the Legion on February 23. Open to members and guests, there will be darts, cards and recorded music with the bar open from 7:30 till 12:30 a.m.

The United Church reports that an evening service commencing at 7:30 p.m. is held the first Sunday of every month. The other three Sun-

days of the month, regular services are held at 10:30 a.m. Every Sunday at 10:30 a.m. the Sunday School classes are held. All services are in the meeting room at the Recreation Centre. For the morning services, Rev. McElroy is in attendance, while the evening service on the first Sunday of the month is taken by Rev. Miller.

The regular Sunday morning services from now till Easter will be directed towards Communicants. Participants may be confirmed at this time if they so desire.

A very surprised but pleased Tony Schafer of Morinville was the lucky winner of the oil painting raffled by the Morinville Senior Hockey Club recently. The club would like to thank all those people who supported them by buying raffle tickets and a very 'Special Thanks' to everyone who made such a great effort in selling the tickets.

Speaking of hockey, we

received some press clippings from Dallas, Texas referring to young Dave Kryskow's outstanding performance on January 10th.

The game was between the Omaha Knights and the Dallas Black Hawks, for whom Dave plays centre. To quote one clipping: "Dave Kryskow did one helluva fine job Friday night on the Omaha Knights' power play - three goals. Only trouble is, Kryskow plays for the Dallas Black Hawks."

Earlier in the line Kryskow's teammate had been called up to the big Black Hawks, and surely 'Ivan' must have wondered if perhaps he had called up the wrong man when he heard about Dave's performance that night.

A spokesman from the National Hockey League office has confirmed that Dave Kryskow's three shorthanded (get that!) goals in one game is a record for ALL pro hockey. By the way the final score was 5 - 1 and Dave scored four of them.

Gibbons Club Seeks Name

The Senior Citizens of Gibbons met at the "Hut" on January 25 with 29 members present. Whist was played, then Mr. Toan showed films on their trip to Jamaica, which was very interesting. Thank you Mr. Toan.

The idea of purchasing some games was discussed. It was decided to apply for a shuffleboard. Mrs. Mabbutt suggested we try to think of a name for the club. So

members get your thinking caps on before the next meeting, which will be on Feb. 8.

A nice lunch was served. Mrs. Mabbutt brought two lovely cakes for those who had birthdays in January.

RCMP books going like hot cakes

The RCMP Centennial is making its impact felt in Edmonton's major bookstores. Commanding on the publication dealing with the Force and its history, one book dealer said, "Those books on the RCMP are selling like hot cakes. We get a new shipment in and in a few days they are all gone!"

For any of you interested in either some of the current or the more traditional books about the RCMP, some of the following titles might well be worth the effort of tracing down.

Allan, Iris "White Sioux" (Gray's Publishing); Chambers, E.J. "RNMWP: A Corps History 1906" (Collins-MacMillan); Charters, Dean "Canada's Mounties" (McClelland-Stewart); Denby "The Law Marches West" (Dent); Farver, F.S. "Arctic Assignment"; Haydon, A.L. "The Riders of the Plains" (M. G. Hurtig Pub.); Kemp, Vernon "Scarlet and Stetson" (Ryerson); Kelly, Nora "The Men of the Mounted" (Dent); Long, J. G. "Fort Macleod: The Story of NWMP" (Ft. Macleod Historical Society); Longstreth, T. Morris "The Force Carries On"; Longstreth, T. Morris, "The Scarlet Force"; McDonald, Jo "The Mounties" (Saunders of Toronto); Neuberger, R. L. "Royal Canadian Mounted Police" (World Landmark Bk.-Random House).

North, Dick "The Saga of the Mad Trapper of Rat River" (The Midnight Sun, P. O. Box 2847, Whitehorse

Yukon Territory); Phillips, Alan "The Living Legend" (Harlequin Paperback-Winipeg); Spalding, Frank "100 Years in the RCMP Saddle" (Gray's Publishing); Speltigue, Douglas "The Friendly Force"; Steele, Harwood "The Red Serge" (Clarke-Irwin); Steele, Harwood "Jackdaw #C12: the RCMP," (Clarke-Irwin); Turner, John Peter "The North West Mounted Police 1873 - 1893 Vol. 1 - 11" (Queen's Printer, Ottawa); Wood, Kerry "The Queen's Cowboy: Colonel Macleod of the Mounties"; Young, Delbert "The Mounties" (Museum).

ICEC Backs Proposed 1974 Strategy

The Gazette, in communication with Jack Kemp, initiator of St. Albert's Independent Citizens Election Committee obtained the following written comments on the Tuesday January 23 meeting held in the Community Hall.

The following is a direct statement by Mr. Kemp, including his own observations and a capsule assessment of public reaction:

"With the exception of a few minor ill-mannered remarks originating from two council clerks, the invited audience of nearly 80 completely endorsed the aims and objectives of the Independent Citizens' Election Committee."

"It was decided that the ICEC would not officially endorse a candidate for the January 31st byelection because it was felt that there was insufficient time to carry out a thorough appraisal of the declared candidates. The audience made it quite clear that the ICEC would need a great deal of time in order to find, encourage and prepare a full slate of candidates for the next municipal election. It was agreed that a series of strategy meetings would be

held at regular intervals between now and the next election and that subjects under discussion would be confidential to the ICEC until it was agreed to make a public statement."

"The first strategy meeting is scheduled for the week commencing February 5," Mr. Kemp said.

Arthur Chamberland Passes At 65 Years

By Lucienne Montpetit
Funeral services were held on February 1st for Mr. Arthur Chamberland who passed away on Jan. 29, at the age of 65 years, a victim of cancer. The funeral mass was celebrated by Father Roland Blaissonnet with Denis and Paul Chamberland, nephews of the deceased, serving as altar boys.

Born in Alfred, Ontario, Mr. Chamberland moved with his parents onto a farm in Legal, when he was six years old. He attended the country school in the Ferry-dell district northeast of

Legal, and later went to college in Edmonton for two years.

He started working for National Grain as a buying agent in Peavay in 1926, staying until 1929 when he was transferred to Legal by National Grain. He held this job as grain buying agent until his retirement in August 1972.

He married Elise Darbet in 1931 and they were blessed with a family of five children.

It was most unfortunate that the deceased never had the opportunity to enjoy his retirement days. He became ill in August and was an in and out patient till several

months ago, when he was confined to the hospital until his death.

He leaves to mourn his loss, his wife Elise, two sons, Bernard, Calgary; Richard, Edmonton; three daughters Mrs. M. (Colette) Beauchamp, Mrs. K. (Madeleine) Yurkowski, Edmonton and Mrs. R. (Carol) Seguin, Slave Lake, also 10 grandchildren, three sisters, and three brothers, Mrs. J. (Irene) Roberts, Edmonton, Mrs. L. (Marie-Jeanne) Cyr and Mrs. F. (Gemma) Pre-

fontaine, Legal; Rene, Grande Prairie; Jean-Marie, Edmonton and Bruno, Legal.

Pallbearers were friends of the deceased namely Louis St. Martin, Ted Cassavan, Allan Keane, Red Krauskopf, Bill Duncan and Mr. Ouellette. Interment was in Holy Cross Cemetery.

The Chamberland family wish to express their gratitude to relatives and friends for their kindness, expressions of sympathy and mass offerings during their recent loss.

Vimy And District News

By Jeanne Laplante
Terry Bernard is presently taking a rig course at the Alberta Petroleum Services Training Centre.

Engagement congratulations to Ray Dechamplain and Yvonne Brisson who were engaged recently.

Mr. and Mrs. Ben Gagne are presently spending a month-long holiday in Quebec.

Attending the present Christopher classes in Westlock are Paulette Laplante and Gerald Rouleau.

On Sunday, Feb. 4th par-

ish of Vimy received its Diocesan Pastor, His Excellency Bishop Raymond Roy. On this occasion, the bishop conferred the Sacrament of Confirmation to some 40 students in Grades 5 and 6. Lunch was served at the hall after the services.

Recent visitors were Mr. and Mrs. Richard Seguin from Slave Lake and also Mr. and Mrs. Roland Provencal.

Mrs. M. B. St. Arnaud was feted at the home of Mr. and Mrs. Albert St. Arnaud on the occasion of her 89th birthday. Many happy returns of the day.

GIBBONS NOTES

The girl guides will hold their annual Valentine Tea, Saturday, Feb. 10 at the Legion Hall from 2 - 5 p.m. Bake Sale.

The Gibbons bantams played Bon Accord twice last week with a 4 - 1 loss Sunday and a 3 - 2 win Thursday.

The Shavers played Bon Accord at Gibbons on Saturday, Feb. 3 losing 4 - 2. Scoring for Gibbons with one each were Wayne Petherbridge and Greg Briggs.

Mr. and Mrs. George Petherbridge have sold their farm and are now making their home in Fort Sask.

Mr. and Mrs. Larry Roe and family have moved to Fort McMurray where

Larry is employed.

The Mighty Atoms Kid is playing for the dance dance, Friday, Feb. 16, 9:30 - 1 a.m. The Sno Ball Queen will be crowned at 10 p.m. The purchase of a ticket from the girl of your choice helps her to reign over Sno Ball festivities.

Ken Rasko will be playing for the Sno Ball Fest Saturday, Feb. 17.

There will be badminton in the Gibbons School every Tuesday night from 7:30 - 10:30 p.m. Everyone welcome.

Winner of the \$100 Jackpot Legion Bingo on Saturday, Jan. 27 was Shannon Mabbitt of Gibbons. On Feb. 10th the Jackpot will be \$25.

Minor Hockey Going Strong In Calahoo

Calahoo Canucks peewees took another league game last Saturday with a fine 4 - 2 win over Spruce Grove #2 in a Parkland hockey game.

Shane Quintal led the way scoring two goals including the winner in the third period. Dale Schafers assisted on

both Quintal goals and scored one of his own as did Randy Karakonte. Travis Patrick played a strong game in goal for the Canucks. The game was fast moving with only two penalties being assessed by referee Crockett Quintal to each team.

Meanwhile Emile Berube has his mite team starting

roll, getting a fine 2 - 1 win over Stony Plain #2 club on Saturday. Lorne Labonte and Dean MacDonald were the Calahoo goal scorers.

On Sunday the boys travelled to Onaway where they dropped a 4 - 1 game. Shaun Moellman scored their only goal.

Ed Horn has taken over the coaching duties of the bantam Junior Scorpions and produced a victory, in his first start, Rick Arcand and Paul Kolesar scored for Calahoo and Perry Kolesar shut-out Winterburn in a 2 - 0 win last Thursday.

All three teams are sponsored by the hard working Calahoo Sports Association and local hockey fans should get out and watch these youngsters as they certainly provide the unexpected as well as some fine hockey.

Council Roundup

B. J. Graham, contractor of the proposed dental clinic on St. Michael Street appeared before council Monday to make a special appeal for a building permit while acknowledging five recommendations made by town staff. The recommendations dealt with exterior finish, building elevations, changes in the general plan and route for the supply of power. On a motion by Councillor Frank Lukay that the dental clinic be awarded a building permit, subject to the enumerated recommendations, council unanimously approved the motion.

Gerry Belke, president of the St. Albert and District Chamber of Commerce and Garby L. Johnson, secretary-manager of the Midnight-Twilight Tourist Association appeared also before council Monday in an attempt to have council's previous tie-vote reconsidered. In their appeal to have the town of St. Albert to approve the Association's 10 cent per capita levy in favor of membership in the Association's Zone 14 structure, both Mr. Johnson and Mr. Belke spelled out the advantages for St. Albert in belonging to this tourist association. Some of the points brought out included that St. Albert is situated at the threshold of Zone 14, the wide publicity this town will receive through the wide circulation of brochures, and so on. Both Midnight-Twilight Tourist Association spokesmen were so eloquent in their presentation that they received council approval by a vote of 5 - 2 with councillors Bakker and Lukay voting against the motion made by Rod Thordson. This now means that St. Albert will become part of the Midnight-Twilight Tourist Association at a membership cost of approximately \$1,500.

Present to discuss terms of an agreement between the town and Capital Cable TV Ltd. were James R. Shaw and Louis Desrochers Mr. Shaw president of the

cable television firm submitted terms of a proposed agreement along with a letter of committal spelling out serving of St. Albert, promises of special local broadcasting facilities including local studio and programming. After quite a lengthy discussion Councillor J. J. Bakker made a motion that the tabled agreement be referred to the town's solicitor for preparation of a franchise agreement subject to CRTC approval. The motion was carried unanimously.

In the realm of bylaws, a lot of bantering was thrown around before decorum returned to the council chambers. Bylaw 5/73 regarding installment payment privileges of supplementary assessment taxes received third and final reading. In part, the bylaw gives property owners the option of spreading their supplementary assessment tax payments over a period of six

months in six equal monthly payments and arrangements to take advantage of this bylaw have to be negotiated with the town secretary-treasurer or his representative.

The next bylaw, No. 6/73 dealing with Off-Highway Vehicles ran into a few hurdles and failed to pass unanimous approval. Therefore, said bylaw will have to be re-introduced at a later meeting. Bylaw 7/73, dealing with Off-Highway and Motor Vehicles and Parklands and Sturgeon River also failed to receive unanimous consent from council and will probably reappear on the agenda at a later date. Bylaw 6/73 was lost by a 4 - 3 vote. Councillors casting dissenting votes on this issue were Fyfe, Bakker and Thordson. Voting pattern on Bylaw 7/73 showed councillors Bakker and de Bruijn casting negative votes when the unanimous consent question was called.

Cupids flying? Could Be

If you should happen to glimpse a small, fat Cupid flying low over St. Albert within the next few days, don't be alarmed. He probably strayed from the basement of the Cadys home, where Loretta and her committee of Lady Lions are currently up to their ears -- or is it hearts! -- in the preparation of delightful and whimsical decorations to set the scene for their 7th annual Lady Lions Sweetheart Ball.

This popular event is to be held on Saturday, Feb. 17, at the St. Albert Community Hall, and promises to be a gala affair. There will be a dancing to the music of the Combo Ettes, a buffet dinner, supplied by Trio Caterers, novelty dances, and prizes, and a special highlight -- the crowning of a Valentine Queen.

Special guests will include members of the St. Albert Senior Citizens Club, courtesy of the St. Albert Breakfast Lions. Tickets for the Ball may be obtained from Robinson's Pet Shop on the Mall, Judy Simpson at the Bank of Nova Scotia, Hutchings's Shoe Store, or from any Lady Lion.

Proceeds from the Ball go to help some of the very worthy projects of the Lions and Lady Lions in our community.

The Lady Lions work very hard to make this a successful and enjoyable evening, and invite all the young in heart to come to the Ball. Have a wonderful time and give Lionism a hand.

CARD OF THANKS

I wish to thank all of my supporters and workers who assisted in my campaign during the Council byelection. I would also like to congratulate Mrs. Fyfe on her successful bid and offer my support.

Syd Billings.

Local Lady Curlers host the Northern

The St. Albert Ladies Curling Club has the honor of being host club for the Northern Alberta Ladies Curling Association's annual Bonsel, being held this year Feb. 19 - 23.

A Points Competition, sponsored by the Edmonton Journal will get the action started on Monday, the 19th at St. Albert rink and the

Journal will have coffee and lunch afterwards in the Friendly Giant Inn for curlers and spectators.

Opening ceremonies will be done up in style at 8:45 Tuesday morning, when the curlers will be piped around the rink behind a color party. In addition to St. Albert, eight other city rinks will be used and draw times are 9 a.m. and 1 p.m. on Tuesday and Wednesday, 9, 12 and 3 o'clock Thursday and Friday.

A Happy Hour will be held at Capilano Motor Inn Feb. 20 at 5:30 p.m. and banquet at 7 p.m.

Bonsel Chairman Shirley Fisher and Bernice Cook points competition chairman extend an invitation to all residents to come and see the points competition and the opening ceremonies at the rink, and to all fans to drop in when they can to watch the play.

AROUND TOWN

If you are planning a visit to the library soon, try to make it when the Preschool Storyhours are not in progress if you value your life. This popular activity began again last week and there were over 70 preschoolers at the first session on Friday morning. The other session, Monday from 2 to 3 p.m. is less packed and all local youngsters are welcome to this hour of stories, songs, and puppets.

Rumor has it that there will be a fancy cake-cutting ceremony at the St. Albert-on-Sturgeon Players' opening night of their 10th season next Friday. Three one-act plays will be presented by the club next Friday and Saturday at St. Albert High at 8:30. As a matter of interest, a member of the cast of the club's first production 10 years ago, Marcia Scammell, is also in this production. Congratulations to this active organization.

There's an island in the South Pacific which has no unemployment, taxes, pollution, national debt, crime - or inhabitants.

HELP WANTED

Four positions available April 1st, 1973 in a three year demonstration project involving working alongside physicians in group medical practice. Required are

TWO PUBLIC HEALTH NURSES

(Degree or Diploma)

TWO SOCIAL WORKERS (M.S.W.)

Salary and fringe benefits similar to Government schedule, working conditions flexible, must have car.

Further details may be obtained by telephoning Mrs. Majid at 432-6403. Applications should be addressed to Dr. Stanley Greenhill, Department of Community Medicine, 13-108 Clinical Sciences Building, University of Alberta, Edmonton, Alberta.

HAVE YOUR CARPETING BEAUTIFULLY CLEANED IN YOUR OWN HOME

In a matter of a few hours, we can revive its original beauty and freshness.

We use the famous Von Schrader dry-foam method. No moisture goes through to the underside to damage the pile or sizing. There is no odor. Rugs can be used the same day.
